

Cookie Policy

Last Updated: October 7, 2026

This Cookie Policy explains how Stay And Sea Travel LLC (“Stay And Sea Travel,” “we,” “us,” or “our”) uses cookies and similar technologies on our website, www.stayandseatravel.com (the “Website”).

By continuing to use our Website, you may be consenting to the use of cookies and similar technologies as described in this Cookie Policy, subject to the choices and controls available through our cookie settings and applicable law.

1. What Are Cookies?

Cookies are small text files that websites place on your computer, tablet, smartphone, or other device when you visit a website.

Cookies allow a website to recognize your device and can help the website remember information about your visit, provide functionality, understand how visitors use the website, and improve the overall website experience.

Other technologies, such as pixels, web beacons, tags, and similar tracking technologies, may function in a manner similar to cookies and may also be used on our Website.

2. How We Use Cookies

Stay And Sea Travel LLC may use cookies and similar technologies for purposes including:

Helping our Website function properly

Remembering preferences and settings

Understanding how visitors interact with our Website

Measuring Website performance

Improving our Website and services

Understanding which pages and content are most useful to visitors

Supporting marketing and advertising activities, where applicable

Providing embedded content and third-party website functionality

Helping protect the security of our Website

3. Types of Cookies We May Use

Essential Cookies

These cookies are necessary for certain Website functions to operate.

They may support features such as:

Website navigation

Security

Page functionality

Form functionality

Session management

Cookie preferences

Because these cookies may be necessary for the Website to function, they may not be able to be disabled through certain cookie-management tools.

Functional Cookies

Functional cookies may allow our Website to remember choices and preferences you make.

For example, they may help remember settings or preferences that improve your experience when returning to our Website.

Analytics and Performance Cookies

Analytics cookies help us understand how visitors use our Website.

These cookies may provide information such as:

Number of visitors

Pages visited

Time spent on pages

How visitors navigate the Website

Traffic sources

General device or browser information

Website interactions

We may use this information to improve Website performance, content, navigation, and the overall visitor experience.

Marketing and Advertising Cookies

Where applicable, marketing or advertising technologies may be used to understand interactions with our Website, measure advertising performance, or provide more relevant marketing.

These technologies may be provided by third-party services and may allow information about your Website activity to be associated with advertising or social media platforms.

Marketing cookies will only be used where applicable and subject to available cookie controls and applicable law.

4. Wix and Website Technologies

Our Website is hosted and operated using Wix.

Wix may place cookies and use similar technologies on our Website to provide, maintain, secure, and improve Website functionality.

Wix may also use certain technologies for analytics, performance, security, and other Website-related purposes.

The cookies and technologies used by Wix may change over time as Wix updates its services and Website functionality.

For more information about Wix's privacy and cookie practices, visitors should review Wix's applicable policies.

5. Third-Party Cookies

Some cookies or similar technologies on our Website may be placed by third parties.

These third parties may include providers of:

Website analytics

Social media features

Advertising services

Embedded videos

Maps

Booking or travel-related tools

Email marketing services

Other third-party applications or integrations

Third-party providers may collect information about your activity across websites or services according to their own privacy policies.

Stay And Sea Travel LLC does not control the privacy practices or cookie technologies used by third-party providers.

6. Social Media and Embedded Content

Our Website may include links, buttons, feeds, videos, or other content from third-party platforms such as social media networks or other online services.

When you interact with this content, the third party may place cookies or collect information about your activity.

Your interactions with these third-party services are governed by their respective privacy policies and terms.

7. Your Cookie Choices

Depending on your browser, device, location, and available Website settings, you may have several ways to control cookies.

You may be able to:

Accept or reject certain cookies through our cookie consent tools

Adjust your browser settings to block or delete cookies

Delete existing cookies from your device

Control certain advertising preferences through third-party platforms

Please note that disabling certain cookies may affect the functionality or performance of portions of our Website.

8. Browser Controls

Most web browsers allow you to manage cookies through their settings.

You may be able to configure your browser to:

Notify you when cookies are being used

Block certain cookies

Block all cookies

Delete cookies when you close your browser

Delete previously stored cookies

The specific steps vary depending on your browser and device.

9. Do Not Track Signals

Some web browsers offer a “Do Not Track” setting.

Because there is currently no universally accepted standard for responding to Do Not Track signals, our Website may not respond to all such signals.

Your available privacy choices may depend on your browser, device, location, and the technologies used on our Website.

10. Cookies and Personal Information

Some cookies or similar technologies may collect information that can be associated with an individual or device.

Information collected through cookies may include:

IP address

Device information

Browser type

Operating system

Pages visited

Referring website

Approximate location

Date and time of Website visits

Website interactions

The collection and use of personal information through cookies is also subject to our Privacy Policy.

11. Changes to This Cookie Policy

We may update this Cookie Policy from time to time to reflect changes to our Website, technology, third-party services, business practices, or applicable laws.

When we make changes, we will update the “Last Updated” date at the top of this page.

We encourage you to review this Cookie Policy periodically for the most current information.
